

Individual ArcGIS Pro instructions

- 1.0 Go to <https://fanshawe.maps.arcgis.com>
- 2.0 On the sign in screen click the blue Fanshawe College button

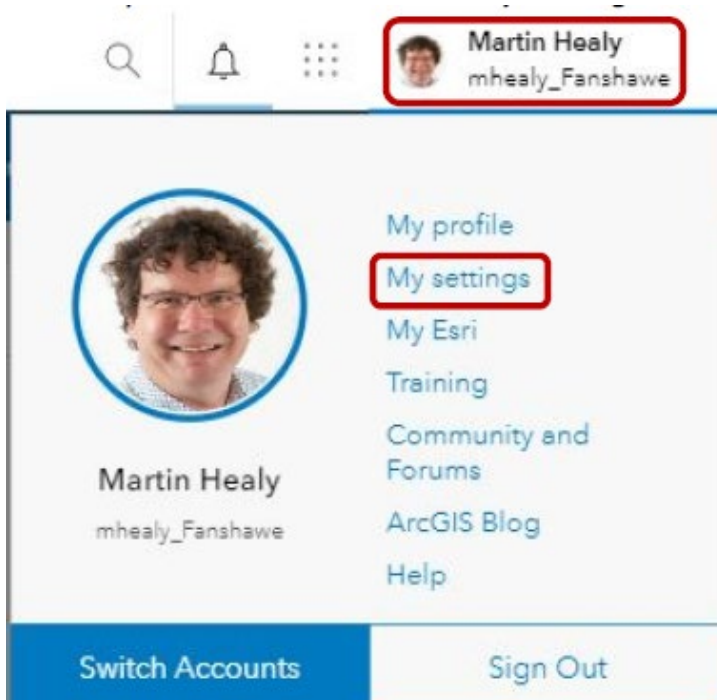

3.0 Enter your Fanshawe credentials

Since ArcGIS is an SSO product, users will see the Microsoft login at this point, it is important that they read the instructions carefully as staff use a different email to sign in than students:

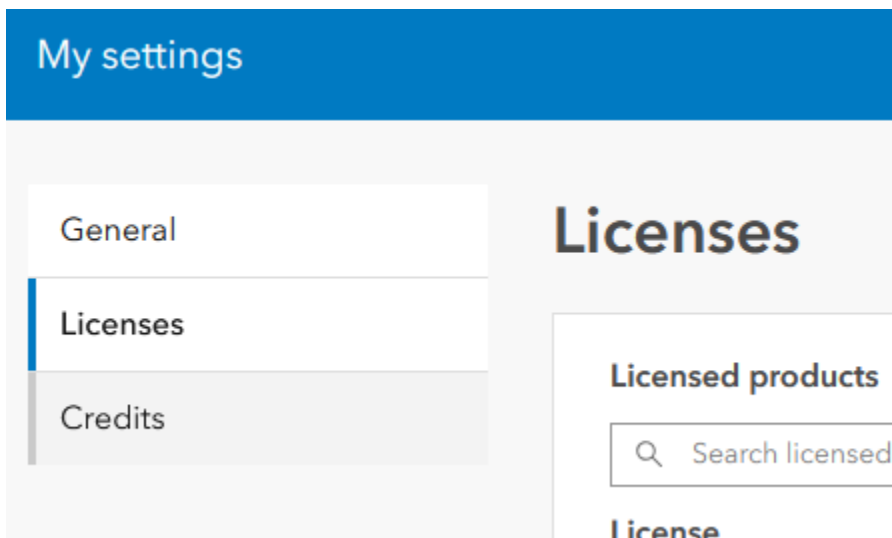

Staff/faculty: @fanshawec.ca

Students: @fanshaweonline.ca

4.0 Click you're your name in the top right hand corner, then click **My settings**

5.0 On the my settings page, select Licenses from the left hand side

6.0 Scroll through the list and locate the download link for ArcGIS Pro. The latest version should be automatically selected.
